JAYME LANGFORD & ALEKTRA BLUE

When Jayme expressed interest in a particular painting at the art fair, Alektra made plans for a very private viewing. She hung it above the bed, and said it pulled the whole room together. Jayme said she liked it so much because it reminded her of the vacation they took in the south of France, as did their lovemaking that night.

It's cold outside and my fireplace just died. But don't blame Tiffany. Her mind was on getting laid with two big cocks awaiting her on the sofa. LOCKER ROOM LUST

She was swimming in a mermaid's tail, but there was nothing fishy about her sapphic desires

The shrill report of Coach Ladner's whistle brought a merciful end to our most grueling practice session of the season. "That's it, ladies! Hit the showers!"

"Finally," I muttered under my breath.

And I wasn't the only one. The whole team was exhausted. Breathing raggedly, sweat flowing freely, we walked off the court enroute to the locker room. Ours was a slow walk. A shuffle, really. Twenty wind sprints had almost killed us.

Yesterday's loss to our biggest rival had infuriated Coach Ladner. To say we played poorly would be the understatement of the century. Costly turnovers. Missed free throws. Porous defense. The game was our worst performance to date. Today's practice, our well-deserved punishment . . .

Nobody had much to say in the shower. We were all too tired to talk. Steam filled the tile-walled room, obscuring my vision as I ran a bar of soap all over my weary body. Still, I could see Debbie Dawson just fine. Our star center had chosen the spigot next to mine. She was close enough to reach out and touch, which I wanted to do oh so badly.

Unfortunately, I couldn't act on my urge.

Not in front of the team, anyway.

Nobody knew about our relationship, and we planned to keep it that way. Intrateam relations of a

romantic and/or sexual nature were strictly forbidden. Coach Ladner had made this clear on the first day of practice, pounding the rule into our heads with the stridency of a drill sergeant.

If a teammate were to discover the truth and rat us out—well, Debbie and I would have to forfeit our hard-earned athletic scholarships. Neither of our families had much money, certainly not enough to cover tuition, room and board. Dropping out of college was a fate worse than death as we had big plans for the future.

Debbie wanted to be a nurse. I hoped to become a sports journalist. But that was years away. At the moment, my fatigue waning as the hot spray worked its restorative magic, I just wanted to touch my 6-foot 7-inch lover.

"Today was hell," Susan Green broke the silence. "I thought I was going to have a heart attack out there."

"Coach can be a real asshole," Molly Sinclair said, sudsy water sluicing between her perky tits.

"Don't let him hear you say that," remarked Rhonda McRaven as she ran a soapy washcloth between her legs.

I eyed my vocal teammates through the gauze of steam, admiring their myriad physical charms. Of course, none of them could compare to Debbie. My towering, long-limbed girlfriend was hotter than a

soldering iron. If you liked your women tall. And I most definitely did. The taller, the better.

Debbie and I made eye-contact. A knowing smile creased her features. Message received. It took forever for the shower to clear out. My teammates took their sweet time, chatting about basketball and boyfriends, though not in that order. The agonizing wait, I knew from experience, would be well worth it.

“Man, Joni,” Debbie said once we were alone. “I didn’t think they’d ever shut up. Those girls can talk.”

“Motormouths,” I replied dryly.

“Speaking of mouths,” Debbie remarked.

We embraced beneath the pelting water. Our questing tongues sparred. Her hands cupped my ass. Mine explored her turgid nipples. It wasn’t long before we ran out of hot water. Debbie turned off her spigot. I turned off mine, then followed her to the adjoining locker room. Padding across the wet floor, my heart pounding with excitement, I regarded my girlfriend’s spectacularly athletic ass with unrestrained lust.

Debbie draped a clean towel over a section of wooden bench in front of her locker. Straddling the bench, she regarded me hungrily before taking a seat and reclining on the padded surface. She lay there, supine, feet raised, her incredibly long legs spread. I stood there, utterly transfixed. The sight of her gaping cunt never failed to mesmerize me.

“Come on, baby,” Debbie told me. “Eat my pussy.”

I straddled the bench and bent forward, lowering my face between my girlfriend’s stilt-like legs. Her pussy was a hairless gash, hot and moist. I teased and titillated with the tip of my tongue, skirting the edges of her pink crevice.

Debbie sighed dreamily. She reached down behind her knees with both hands and pulled her legs back, spreading her snatch good and proper. I proceeded to lick her like a thirsty dog. Things progressed in this manner until I serviced her clit; this with my finger while continuing to lap her pussy with lusty urgency.

I had arrived on campus inexperienced in the art of eating pussy. Debbie had taught me well. Now I prided myself on always making her come with my talented tongue. Of course, sometimes I liked to mix things up. Eating her to completion was great, but there was more than one way to skin a cat. She was getting close. I could tell by her breathing, the same ragged panting she had displayed on the hardwood while running wind sprints. She would sleep well tonight. I would too.

But first . . .

I withdrew my mouth. “Hold on, lover.”

“Don’t stop,” she begged me. “What the hell?”

I hastened to my locker, opened it, and produced Debbie’s favorite strap-on dildo. Securing the toy to my waist, I climbed on top of her moved its bulbous glans up and down her wet slit. She bit her lip, shuddering

and twitching with anticipation. I teased her relentlessly, refusing to push the plastic phallus inside her until she begged in earnest.

“Oh, yeah! Do it, baby!” Debbie cried out beneath me. “Stick it in! Fuck me with your big dick!”

Her ecstatic outburst prompted me to plunge the sizable schlong inside her. I bored deep with a single jab. She gasped. I gave no quarter. Driving my hips repeatedly, I pounded her pussy with everything I had. Today’s practice had made me tired, sure, but the shower in conjunction with Debbie’s alluring body had revived me. I felt just fine as I hammered her hot hole.

Debbie was almost there.

A few more thrusts, I reasoned, should do it.

My last thought before the locker room door swung open. Debbie turned her head to face the intruder. I did the same. “Oh shit!” both of us barked when we saw who it was. The tyrant himself . . .

Coach Ladner!

Of course, he was shocked. His wide eyes and gaping mouth said as much. Still, he recovered quickly. Having regained his composure, he crossed his arms and cracked a bemused smile.

“Well, well, well.” Coach Ladner removed his ballcap and ran a hand through his thinning hair. “What have we here?”

I had never been so humiliated in my entire

life. Talk about getting caught in a compromising position! Idiot, I silently berated myself. There goes your scholarship, kiddo; you can kiss a career in sports journalism goodbye. I imagined myself waiting tables at some dingy greasy spoon for the rest of my working life, getting old, slow, living in a trashy trailer park with the rest of the losers.

Debbie, too scandalized to speak, lay speechless beneath me. I started to pull out until Coach Ladner raised a halting hand. "Oh no, Joni. You're not going anywhere. And that goes for you too, Debbie."

He moved closer to the bench, close enough for me to smell the liniment he used on his bum knee, close enough to touch.

"As you were, ladies," he continued. "Don't let me stop you from having a good time. I'm a tough taskmaster on the court, you bet, but I like having fun as much as the next guy. And this looks like loads of fun!"

No sooner had the words left his mouth than he dropped his shorts and whipped out his cock. Coach Ladner was already quite hard when he began to stroke himself. I couldn't believe what I was seeing. He stood there jerking his prick nice and slow, this man who had recruited me from the junior college ranks, this highly respected figure who had devoted his life to molding

young women.

"Come on," Debbie broke my spell. "You heard the man."

Coach Ladner wanted to watch a live sex show. As for me—well, I wanted to remain in school and keep playing the sport I loved. I couldn't deny the man, not if I wanted any kind of future. It was his way or the highway.

I resumed fucking Debbie with the strap-on, fucking her with frenzied thrusts while Coach Ladner rubbed his rod. Debbie wrapped her impossibly long legs around my waist. I pumped and humped, determined to pleasure my girlfriend while appeasing my perverted coach. Judging from Debbie's high-pitched moans and Coach Ladner's grunts I was succeeding on both counts.

Moments later I removed the strap-on so that Debbie could go down on me. I lay on the towel-draped bench, my thighs parted. She crushed her lips to mine, then worked her way down to my tits. Hot pleasure rippled through my body as she took my nipples in her mouth . . . licking . . . sucking . . . nibbling. I moved a hand between my legs and played with my pussy. I was wetter than a water slide at the peak of summer.

It wasn't long before Debbie moved my hand out of the way and replaced it with her mouth. My girlfriend took real good care of me, servicing my sodden snatch with her deft tongue. I panted and sighed, my pulse pounding as she ate my cunt expertly. I was feeling mighty fine when Coach Ladner hunched over the bench and shoved his cock in my face.

"Feast on this, Joni."

I opened wide. He shoved his dick in my mouth. I started to fellate him, but he was having none of it. He grabbed a handful of my hair and lifted my head from the bench. Then he proceeded to fuck my face. Hard. He pounded my visage with a salvo of stiff jabs. Relentless. Gag-inducing. Saliva oozed down my chin as he buried himself, balls deep, in my stretched maw.

Meanwhile, Debbie kept right on munching my muff; this while massaging her clit with a practiced hand. I was getting closer and closer to what was sure to be an explosive orgasm. I couldn't help but wonder which one of us would come first. The answer arrived when Debbie cried out in my crotch, her outburst sending delicious vibrations through my hot center. I came next. Mine was a ferocious climax. I moaned around Coach Ladner's dick, prompting him to pull out and dump cum all over my tits. Never one to play favorites, he saved the remainder of his load for Debbie's face.

Needless to say, Debbie and I remained on the team. Coach Ladner was no fool, not by a longshot. He had a good thing in the two of us.

We were the cream of the crop, on and off the court!

BLAIR-NTS-00

I thought I had caught a faint whiff of her arousal, but stood my ground.

I'm at home watching college football when the phone rings. "Connor, it's Elizabeth. I know it's Saturday, but if you have the Mason file, could you please bring it to my house? Here's my address..." And so it went that morning. My new boss is a real ball-buster, and she knows it. It all started like this at the office so I'm writing to get this little incident off my chest.

Elizabeth had been with the company for only four months. I thought she was a real ass-kicker but hadn't quite worked her out yet. She was always wearing a suit jacket and skirt with a white blouse, which hinted at a pretty impressive rack. I could tell she tried to look all business and respectable but there was something simmering underneath that prim exterior.

On Friday there was a conversation I overheard when was in the lunchroom. She was on the phone in the adjoining room. "Just because my ex-husband and I can't stand to live together anymore doesn't mean we don't love to fuck. If he hadn't been so good in bed I would have divorced him long ago." I shuddered at what I was hearing because around the office she's known as a wicked witch.

And now here I am, walking up to her front door on a Saturday morning with the Mason file hoping she doesn't eat me alive.

Her property looked like a construction site with empty paint cans and building materials all over the front yard. I ring the doorbell and when Elizabeth opened the front door I was shocked by the change in her appearance. The usual sombre professional business suit had been replaced by a man's oversize dress shirt tied off at the front and a

pair of raggedly cut off denim jeans that barely covered her butt. Pretty sexy, I thought, for a forty-something.

She invites me in and as she walked away in front of me I couldn't help but notice the gorgeous ass projecting from the back of her shorts. As I followed her into the house, taking in her shapely butt, she pointed to her canvas covered sofa and told me to drop the file there, then asked if I had a minute to help her.

She led me into what must have been the master bedroom explaining that she was painting a high corner and only had a step stool to climb on. She pulled the stool into position and climbed up it. She asked me to steady her so I put my hands on her hips from the front and held tight. She loaded the roller with paint and reached up to apply it. I looked down at her feet realizing that if I looked straight ahead, my face would be just below her pussy.

But I couldn't help myself, and looking up I could see up the leg of her cut off denims. I noticed her white lace panties and a few wispy blonde hairs escaping the confines of her panty. I saw her labia lips pressed against her shorts and thought I might reach out a hand and touch there. But I also sensed that she may have done this on purpose because she knew where my face would end up.

After several minutes of her painting, I looked more carefully at her panty and thought that I saw it beginning to darken a little with moisture. I took a deep smelling breath trying to catch a hint of her scent. I thought I had caught a faint whiff of her arousal, but stood my ground.

She had finished the corner and suddenly she leaned too far backwards and lost her balance on the stool. Even my

holding her hips could not prevent her tumble. She seemed to twist and turn and was plummeting down towards me. I moved my hands quickly to try to catch her and my left hand managed to land firmly on her right breast and my right hand ended up somewhere behind her. We fell backwards with her on top of me and onto the canvas covered bed in the middle of the room.

We laid there for a moment trying to recover from the shock and suddenly realized where my left hand was. And then my right. I asked if she was okay and removed my hand from her breast. I could not get the other hand out from under her. She told me she was fine and started to get off me.

But instead of getting completely off, she slides down my body and I felt her hand move to unbuckle my belt. I could only lay there paralyzed at what just happened. I felt my cock getting hard as she pulled my pants open. The fingers of both her hands reached over and drew down my briefs. She took my cock out and squeezed it between two fingers checking it out closely then her head came down on me as she licked my cock from the base along the underside, up and over the crown of my top knot.

She kept licking and sucking it. She licked it like an ice cream cone and sensed I was ready to cum too quickly. She then gets up and sits at the edge of the bed and struggles out of her shorts and panty and crawled up onto the bed. She patted the bed, motioning me to get on it and then straddled my legs and began to crawl up them. Her eyes were zeroed in on my rock hard cock. She grasped the base of my cock and pulls it back to point up at her juicy wet hole. She paused, and then slowly, delightfully, enticingly, lowered herself down along the length of my shaft. She paused and allowed her inner muscles to hold and grasp my now fully-buried cock. She begins to ride me now. Gliding up and down on my cock and suddenly she

yells out. "Grab my boobs! Pinch my nipples."

I reach up to obey, my thumb and forefinger rolling her pouting nipples between them. Meanwhile she had reached down with her own right hand to find her clit, and circled it with her first and second fingers. She rode me harder and faster and why I hadn't popped already, I don't know. She was pounding herself hard onto me. Her fingers rubbed faster and faster against her clit as she threw her head back and began to groan.

I couldn't hold it in any longer and I finished; my cum a hot geyser in her pussy and she finished soon after, still riding me hard. A couple last grinds and flicks to her clit and she collapses on top of my chest. I can feel her erect nipples pushing hard against me.

She climbs off me and grabs her panty to put it back on. Not knowing what to say after an hour of hot fucking, I can only blurt out "That was great." and motion her to come back to the bed as I'm getting my cock ready for another round.

"Not now, Connor" she says, "There's painting to finish and I have to work on the Mason case later. We'll find some time to spend together, but for now you have to go." she told me.

I grab my clothes and excuse myself to the bathroom to clean up and dress. I come out and she's already dressed and holding the paint roller.

"I'll call you, or see you at the office. Okay?" she says.

Elizabeth was a lady you don't say 'no' to so I got my stuff and left. On the subway ride home I thought I may have opened up a can of worms with her being my boss at the office, but hey, she wanted it too. I hope that's a convincing argument. I guess I'd find out next week. As I was exiting the train, my phone's text message tone goes off. I look at it and it's Elizabeth. I open the message and read 'Come back, now!'
